To upload your Videos please following the link on the website.

On your mouse right click the URL and open a new window.

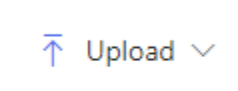

In the new window a folder site will be displayed

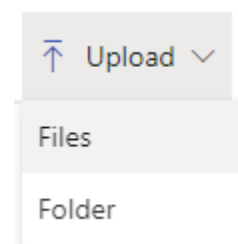

Your name will be in the display. E.G. "John Doe" as shown above

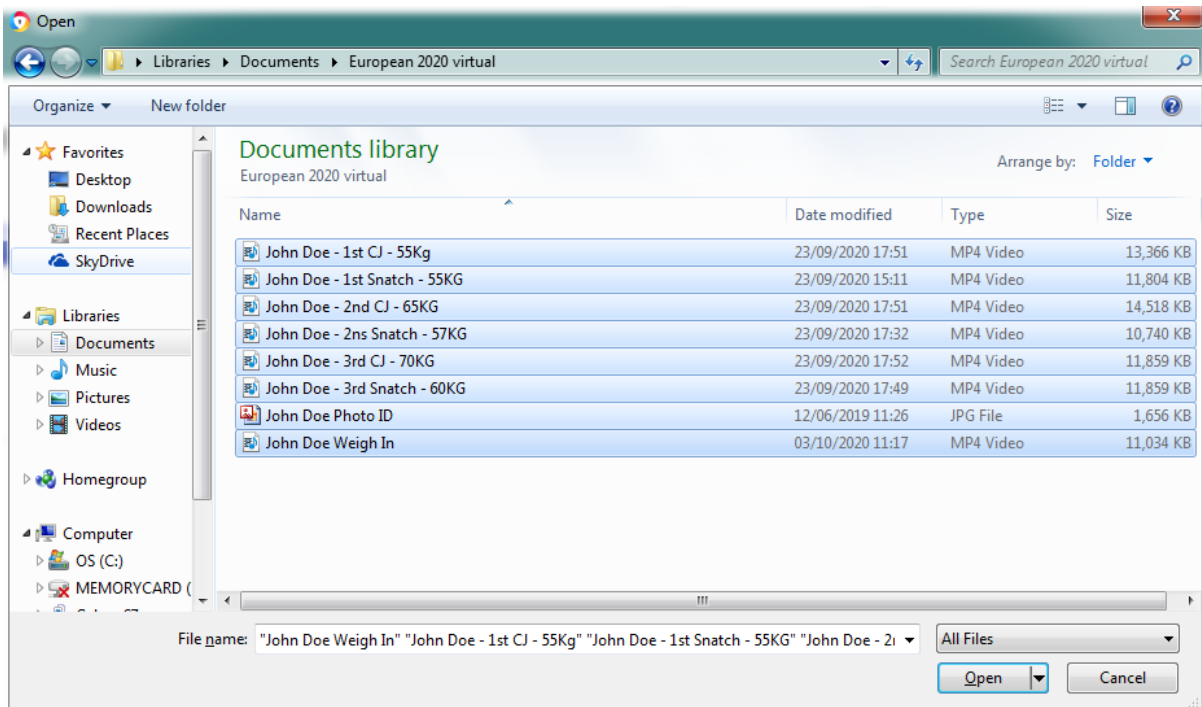

Click on Upload, to upload your videos

And selected Files

In the new pop up folder window navigate to the required files, and select all files you wish to upload.

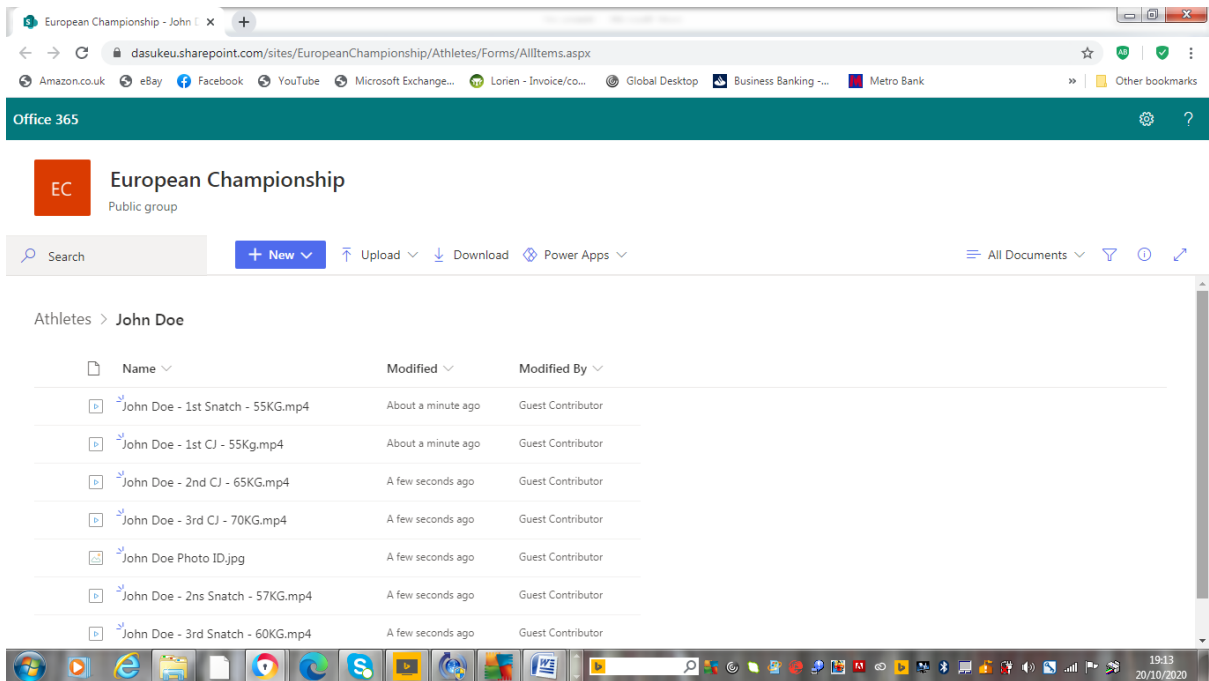

Click Open

The file window above will close and you will see the folder site again. To the right on the menu you will see Uploading x items

 Uploading 8 items  All

Uploading 8 items to [John Doe](#) ×

Depending on the speed of your internet connection, this may take some time. Once completed you will see your files loaded

Confirm all your files have loaded.

If you experience and issue with loading certain files, follow the above process again from Upload and load files one at a time.

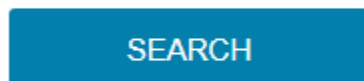

Once you have confirmed all of your details and uploaded the videos, close the folder site window. Return to the website and click Update

You will receive the following message

Athlete Code *

a18580049

Data was updated successfully.

If you wish to confirm you details have been saved, click on SEARCH again.

Closed Website down.
