

Referee Instructions

You would have been given a referee number; the numbers are assigned to a number of sessions.

Left Referee, Centre Referee or Right Referee. The pages are identical and for these instructions we will be using the Left Referee with a code of L12345

NOTE:- You must review all details and enter your judgement, regardless if you FAIL both the D.O.B and Weigh In checks as other referees (Centre/Right) may pass these.

From the Website you will select the required referee page.

The screenshot shows a web browser window with the URL `masterswchampionship.com/left-referee.html`. The page has a navigation menu with 'HOME', 'QUALIFYING STANDARDS', 'RULES', and 'REFEREE'. The main content area features the 'European Masters WEIGHTLIFTING' logo on the left, which includes a stylized weightlifter and a map of Europe. In the center, the text reads: 'THE FIRST 2020 European Masters Online Virtual Weightlifting Championship Left Referee'. On the right, there is a large, stylized '2020' logo with horizontal bars in red, blue, and orange. A red box highlights the 'LEFT REFEREE' option in the 'REFEREE' dropdown menu.
